

Helping Hands Ministry Car Care Clinic

On **Saturday, May 4, 2022 from 9:00am-12:00pm**, Helping Hands of New Life Church will be holding a car care clinic for single moms, widows, and wives of deployed servicemen. We will be performing a multi-point inspection and instructing the participants, if applicable, in basic car care essentials such as checking fluids, checking tire wear, jump starting a car, and other necessary skills as requested. We will also check wipers, headlights, and fuses. Depending on resources we have on hand, we may be able to replace some of these items. All participants in this event will receive a voucher for a free oil change.

Due to limited space and resources, some applicants may be put on a waiting list. Those put on the waiting list will be given preference at our next event. We are accepting the attached information/application sheets **until April 28th**. One of the Helping Hands volunteers will contact you to let you know if you were selected to participate in this event. Please fill out the attached sheet as thoroughly as possible so that we can better assist you and plan for this event.
